CENTRAL INTELLIGENCE AGENCY
Geography Division, ORR

Project Initiation Memorandum

To: Chief Geographic Research

14 September 1960

Project No. 625875

1. Subject of Proposed Project: Intelligence Potential of the East German 1:25,000 Map Series.
2. Statement of Problem: Well over 100 sheets of the East German 1:25,000 have now become available as a result of intelligence community collection efforts. A detailed evaluation of the intelligence potential of the sheets is needed as a basis for planning further collection.
3. Requester: D/GL/S through Ch/G.
4. Responsible Analyst and Branch: CG/E Staff.
5. Kind and Extent of Cooperation Desired: D/GC will be asked to prepare a coverage index map.
6. Estimated Man Hours in D/GC: 100
7. Probable Completion Date: Open
8. Probable Form of Final Publication: CIA/RR GP
9. Recommendations Regarding Distribution of Finished Report: Distribution list to be prepared.
